Farvardin 18, 1399 AP à€” Hi keyboard and synth lovers, just a warning. Arturia is doing a 50% deal for a short time on the V-Collection package. ðŸ”Š This is not a normal online purchase, it may only be for a few hours because of this. The V-Collection is a collection of 20 carefully selected "best" sounds that have been rigged over the years to form them into a single collection that brings all this content together and makes it as accessible as possible to everyone. This is what you can get right now, but only for a very short time and only for two hours. fffad4f19a
