VividScreenshot Crack+ X64

VividScreenshot With Key For PC

77a5ca646e

VividScreenshot Crack + Keygen Full Version [2022-Latest]

Many times you will need a screen shot of an application window but do not wish to go through the rigamarole of having to select a region of interest on the screen, resize, and copy. This program is the answer. You can size the window to the area you wish to capture and click to get the screenshot. This program also has advanced features such as filters (blur, pixellate, and oil painting), live screenshot preview (including filter effect), and zoom. This is a very powerful program for capturing screen shots. Extract ZIP Password Thanks to this utility you can extract and decrypt a ZIP file without having to know its password. Easy File Chooser Want to send a file to another computer? No need to locate and copy the file first. Just open the file explorer, select the file you want to send, right-click, choose Send To -> Send to -> Other Computer, and press OK. The destination file will automatically be created and opened with the destination computer's default viewer. Extract ZIP Password Thanks to this utility you can extract and decrypt a ZIP file without having to know its password. Easy File Chooser Want to send a file to another computer? No need to locate and copy the file first. Just open the file explorer, select the file you want to send, right-click, choose Send To -> Send to -> Other Computer, and press OK. The destination file will automatically be created and opened with the destination computer's default viewer.
